### PROPERTY RIGHTS

2.1 USE OF OPEN SPACE. It is proposed that the Open Space areas will be

improved only to the extent of landscaping and plantings, including such screening fences and walls as are prudent for security and safety to the Property. As such, the Association shall not, except as the Association may reasonably deem appropriate to comply with applicable laws or to protect the health, safety or welfare of the Development or the Members, cause (i) any buildings or permanent structures to be constructed on the Open Space, or (ii) allow any interference or conflict with the natural or planted vegetation or trees in the Open Space. The foregoing shall not imply any obligation on the part of the Declarant or the Association to provide any particular enhancement to the Open Space or render the Association in any way responsible for the actions of any Members or other parties on or in connection with the Open Space, unless such actions are undertaken at the written instructions of the Association. The Association shall have the following rights with regard to the Open Space:

- (a) the right to dedicate or transfer all or any part of the Open Space to any public agency or authority subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless (i) an instrument of agreement to such dedication or transfer, signed by two-thirds (2/3) of each class entitled to vote (determined pursuant to Section 3.2 hereof) is properly recorded, in the Deed Records of Denton County, Texas, and (ii) a written notice of proposed action under this Section is sent by Registered Letter to every Owner (including Lienholders or Mortgagees) not fewer than thirty (30) days, nor more than sixty (60) days in advance of said action;
- (b) the right to borrow money to be secured by a lien against the Open Space; however, the rights under such improvement mortgage shall be subordinate and inferior to the rights of the Owners hereunder; and

(c) the right to enter upon and make rules and regulations relating to the use of the Open Space.

2.2 TITLE TO THE OPEN SPACE. The Declarant shall dedicate and convey to the Association (at such time as Declarant shall deem appropriate but in any event prior to such time as any mortgage lien which is insured by the Department of Housing and Urban Development is filed of record with respect to any Lot located within the Property), without consideration, the fee simple title to the Open Space owned by Declarant free and clear of monetary liens and encumbrances other than those created in this Declaration.

### ARTICLE III

#### MEMBERSHIP AND VOTING RIGHTS

3.1 MEMBERSHIP. Declarant, during the time it owns any Lots and each person or entity, including any successive buyer(s), who is a record Owner of a fee or undivided fee interest in any Lot shall automatically and mandatorily become a Member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. No Owner shall have more than one (1) membership. Membership shall be appurtenant to and may not be separated from any ownership of any Lot which is subject to assessment by the Association. Transfer of ownership, either voluntarily or by operation of law, shall terminate such Owner's membership in the Association, and membership shall be vested in the transferee; provided, however, that no such transfer shall relieve or release such Owner from any personal obligation with respect to assessments which have accrued prior to such transfer.

3.2 VOTING RIGHTS. The Association shall have two (2) classes of voting membership.

(a) Class "A". The Class "A" Members shall be all Owners. The Class "A" Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

(b) Class "B". The Class "B" Member shall be Declarant. The Declarant shall be entitled to three (3) votes for each Lot it owns; provided however that Declarant shall cease to be a Class "B" Member and shall become a Class "A" Member entitled to one (1) vote per Lot on the happening of either of the following events:

(i) when the total votes outstanding in the Class "A" membership equals the total votes outstanding in the Class "B" membership, or

(ii) upon the expiration of ten (10) years from the recording date of this Instrument in the Deed Records of Denton County, Texas.

3.3 NO CUMULATIVE VOTING. At all meetings of the Association, there shall be no cumulative voting. Prior to all meetings, the Board shall determine the total number of votes outstanding and Members entitled to vote.

3.4 NOTICE AND QUORUM. Written notice of any meeting called for the purpose of taking any action authorized herein shall be sent to all members, or delivered to their residences, not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At any such meeting called, the presence of members or of proxies of voting representatives entitled to cast two-thirds (2/3) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called

subject to the same notice requirement, and the required quorum at such subsequent meeting shall be two-thirds (2/3) of the quorum requirement for such prior meeting. The Association may call as many subsequent meetings as may be required to achieve a quorum (the quorum requirement being reduced for each such meeting). No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

#### ARTICLE IV

##### COVENANT FOR ASSESSMENTS

4.1 CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, covenants and agrees to pay to the Association: (i) annual assessments or charges, and (ii) special assessments for capital improvements. Such assessments (collectively, the "Assessments") are to be fixed, established and collected as provided herein. Assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Lot and shall be secured by a continuing lien which is hereby created and impressed for the benefit of the Association upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest costs and reasonable attorney's fees shall also constitute a personal obligation of the person or entity who was the record Owner of such Lot at the time of the Assessment. The personal obligation for delinquent Assessments shall not pass to successors in title unless expressly assumed by such successors; however, the lien upon the Lot shall continue until paid.

4.2 PURPOSE OF ASSESSMENTS. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the Owners of the Lots, the improvement and maintenance of the Areas of Common

Responsibility and any other property owned by the Association, and the performance and/or exercise of the rights and obligations of the Association arising hereunder. Assessments shall include, but not be limited to, funds to cover actual Association costs for all taxes, insurance, repair, replacement, maintenance and other activities as may from time to time be authorized by the Board; legal and accounting fees, and any fees for management services; expenses incurred in complying with any laws, ordinances or governmental requirements applicable to the Association or the Property; reasonable replacement reserves and the cost of other facilities and service activities, including, but not limited to, mowing grass, grounds care, sprinkler system, landscaping, and other charges required or contemplated by this Declaration and/or that which the Board shall determine to be necessary to meet the primary purpose of the Association, including the establishment and maintenance of a reserve for repair, maintenance, taxes and other charges as specified herein. The reserve fund is to ensure the continuous and perpetual use, operation, maintenance, and/or supervision of all facilities, structures, improvements, systems, areas or grounds that are the Association's responsibility.

#### 4.3 BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS.

- (a). Until January 1st of the year next following the conveyance of the first lot to an Owner, the regular maximum annual Assessment shall be \$150.00 per Lot.
- (b). From and after January 1st of the year next following the conveyance of the first Lot to an Owner, the maximum regular annual assessment may be increased by an amount up to ten percent (10%) over the preceding year's regular annual assessment solely by the Board of Directors. Any increase over and above 10% of the previous year's regular annual assessment shall be done only by the prior approval of sixty-six and two-thirds percent (66-2/3%) of the outstanding votes (determined pursuant to

Section 3.2 hereof) held by the Members or by representatives holding proxies at a meeting at which a quorum is present.

4.4 SPECIAL ASSESSMENTS. In addition to the regular annual Assessment authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the costs incurred by the Association pursuant to the provisions of this Declaration, provided that any such Assessment shall have the prior written approval of sixty-six and two-thirds percent (66-2/3%) of the outstanding votes (determined pursuant to Section 3.2 hereof) held by the Members or by representatives holding proxies at a meeting at which a quorum is present. Any Special Assessments shall be prorated based on the period of time the Owner owns the Lot during such year.

4.5 NOTICE AND QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 4.3 AND 4.4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 4.3 and 4.4 hereunder shall be given to all Members not fewer than ten (10) days nor more than twenty (20) days in advance of such meeting. At such meeting, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes entitled to be cast by the Members of the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

4.6 UNIFORM RATE OF ASSESSMENT. Both the regular annual and Special Assessments shall be fixed at a uniform rate for all Lots, and shall commence and be due in accordance with the provisions of Section 4.7 hereof. Each Owner shall pay one hundred

percent (100%) of the established Assessment for each Lot he or it owns. Declarant shall pay twenty-five percent (25%) of the established Assessment for each Lot it owns.

4.7 DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS, DUE DATES.

(a) The obligation to pay regular annual assessments provided for herein shall commence on the first day of the month next following Declarant's conveyance of the Open Space to the Association. The Assessments shall be due on such payment dates as may be established by the Association. Assessments shall be due and payable on an annual basis unless otherwise designated by the Association.

(b) As long as Declarant is a Class "B" Member pursuant to Section 3.2 hereof, Declarant shall pay any resulting deficiency in the event the cost of maintenance exceeds the amount of the Assessments received from the Owners; provided, however, in such event, Declarant shall not otherwise be required to pay Assessments with respect to portions of the Property owned by Declarant; and further, provided, however, in no event shall Declarant be required to pay an amount which is in excess of one hundred percent (100%) of the established Assessment for each Lot it owns. When the Declarant is converted to a Class "A" Member, the Declarant (i) shall no longer be responsible for contributing shortfalls outlined in the preceding sentence but rather, (ii) shall commence making regular annual and Special Assessments pursuant to Sections 4.3 and 4.4 hereof calculated on the number of Lots Declarant then owns.

(c) The annual Assessments for the first Assessment year shall be fixed by the Association prior to the sale of the first Lot to an Owner. Except for the first Assessment year, the Association shall fix the amount of the annual Assessment at least

thirty (30) days in advance of each Assessment year, which shall be the calendar year; provided, however, that the Association shall have the right to adjust the regular annual Assessment upon thirty (30) days written notice given to each Owner, as long as any such adjustment does not exceed the maximum permitted pursuant to Section 4.3 hereof. Written notice of the regular annual Assessment shall be given as soon as is practicable to every Owner subject thereto. The Association shall, upon demand at any time, furnish a certificate in writing signed either by the President, Vice President or the Treasurer of the Association setting forth whether the annual and special Assessments on a specified Lot have been paid and the amount of any delinquency. A reasonable charge may be made by the Association for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

(d) No Owner may exempt himself from liability for Assessments by waiver of the use or enjoyment of any portion of the Development or Open Space or by abandonment of his Home.

4.8 EFFECT OF NON-PAYMENT OF ASSESSMENTS: REMEDIES OF THE ASSOCIATION.

(a) All payments of the Assessments shall be made to the Association at its principal place of business at P. O. Box 293632, Lewisville, Denton County, Texas 75067, or at such other place as the Association may otherwise direct or permit. Payment shall be made in full regardless of whether any Owner has any dispute with Declarant, the Association, any other Owner or any other person or entity regarding any matter to which this Declaration relates or pertains. Payment of the Assessments shall

be both a continuing affirmative covenant personal to the Owner and a continuing covenant running with the Property.

(b) Any Assessment provided for in this Declaration which is not paid when due shall be delinquent. If any such Assessment is not paid within thirty (30) days after the date of delinquency, the Assessment shall bear interest from the date of delinquency, until paid, at the rate of ten percent (10%) per annum or the maximum rate allowed by law, whichever is the least. The Association may, at its option, bring an action at law against the Owner personally obligated to pay the same; or, upon compliance with the notice provisions hereof, foreclose the lien against the Lot as provided in Subsection 4.8(d) hereof. There shall be added to the amount of such Assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include said interest and a reasonable attorney's fee, together with costs of action. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or in equity foreclosing such lien against such Owner, and the expenses incurred in connection therewith, including interest, costs and reasonable attorney's fees shall be chargeable to the Owner in default. Under no circumstances, however, shall Declarant or the Association be liable to any Owner or to any other person or entity for failure or inability to enforce or attempt to enforce any Assessments.

(c) No action shall be brought to foreclose said Assessment lien or to proceed under the power of sale herein provided in fewer than thirty (30) days after the date a notice of claim of lien is deposited with the postal authority, certified or registered, postage prepaid, to the Owner of said Lot, and a copy thereof is recorded by

the Association in the Office of the County Clerk of Denton County; said notice of claim must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may, at the Association's option, include interest on the unpaid Assessment at the maximum legal rate, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association.

(d) Any such sale provided for above is to be conducted in accordance with the provisions applicable to the exercise of powers of sale in mortgages and deeds of trust, as set forth in Section 51.002 of the Property Code of the State of Texas, or in any other manner permitted by law. Each Owner, by accepting a deed to a Lot, expressly grants to the Association a power of sale as set forth in said Section 51.002 of the Property Code, in connection with the Assessment lien. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

(e) Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed the actual cost of preparing and filing or recording the lien and the release.

(f) The Assessment lien and the right to foreclosure sale hereunder shall be in addition to and not in substitution of all other rights and remedies which the Association and its successors or assigns may have hereunder and by law, including the right of suit to recover a money judgment for unpaid Assessments, as above provided.

4.9 SUBORDINATION OF THE LIEN TO FIRST MORTGAGES. The lien securing the Assessments provided for herein shall be subordinate to the lien of any first lien mortgage. The sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any first lien mortgage, pursuant to a decree of foreclosure or a non-judicial foreclosure under such first lien mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such Assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessment thereafter becoming due, in accordance with the terms herein provided.

4.10 MANAGEMENT AGREEMENTS. The Association shall be authorized to enter into management agreements with third parties in connection with the operation and management of the development and the performance of its obligations hereunder. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Association shall provide that said management agreement may be canceled with or without cause and without penalty by either party with thirty (30) days written notice. Any and all management agreements shall be for a term not to exceed one (1) year and shall be made with a professional and responsible party or parties with proven management skills and experience managing a project of this type. The Association may, at its discretion, assume self management of the development by the Association.

4.11 INSURANCE REQUIREMENTS. The Association through the Board of Directors, or its duly authorized agent, shall obtain insurance policies covering the Areas of Common Responsibility and Open Space and covering all damage or injury caused by the negligence of the Association, any of its employees, officers, directors and/or agents, commercial general liability insurance, directors and officers liability insurance, and such other

insurance as the Association may from time to time deem necessary or appropriate.

## ARTICLE V

### ARCHITECTURAL REVIEW

No building, fence, wall, parking area, swimming pool, spa, pole, mail box, driveway, fountain, pond, tennis court, sign, exterior color or shape, or new or modification of a structure shall be commenced, erected or maintained upon any Lot or the patio or garage used in connection with any Lot after the purchase of any Lot from Declarant, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same are submitted for an approval in writing by the Architectural Review Committee (the "Committee") which shall be composed of three (3) representatives appointed by Declarant (during such time Declarant owns any Lots) and thereafter by the Association. Plans and specification shall be submitted to the Committee at least thirty (30) days prior to the commencement of any construction or modification at the Committee's initial office located at 2079 Old Orchard, Lewisville, Texas 75067. The following shall be submitted for approval: a site plan showing the entire Lot with existing improvements, and floor plan and elevations of all faces of the proposed structure; and a description of all exterior construction materials. A copy of the above described plans and specifications shall be retained by Declarant. The Committee shall review the plans and specifications and notify the Owner in writing of its approval or disapproval. If the Committee fails to approve or disapprove said plans and specifications within thirty (30) days after the same has been submitted to it, they will be deemed to have been approved by the Committee. Any disapproval shall set forth the elements disapproved and the reason or reasons thereof. The judgment of the Committee in this respect in the exercise of its sole and absolute discretion shall

be final and conclusive and the Owner shall promptly correct the plans and specifications (if disapproved) and resubmit them for approval. No construction, alteration, change or modification shall commence until approval of the Committee is obtained. The Committee may approve any deviation from these Declaration as the Committee, in its sole and absolute discretion, deems consistent with the purpose hereof, except to the extent specifically prohibited or limited by this Declaration or by Town ordinance or regulation. No member of the Committee shall be liable to any Owner for any claims, causes of action or damages arising out of the denial of any submittal or grant of any deviation to an Owner. Future requests for deviations submitted hereunder shall be reviewed separately and apart from other such requests and the grant of a deviation to any Owner shall not constitute a waiver of the Committee's rights to strictly enforce the Declaration and the architectural standards provided herein against any other Owner. Approval by the Committee of the plans and specifications or its determination that the completed construction or modification has been constructed in accordance with the plans and specification shall be deemed to be an acknowledgment by the Committee that such are in accordance with this Declaration and such acknowledgment shall be binding against the Owners of the Lots and the Property. Until Declarant no longer owns a Lot, as vacancies in the Committee occur by resignation or otherwise, successor members shall be appointed by Declarant. Thereafter, the members of the Committee shall be selected and appointed by the Board. In the event that the Board fails to designate members of the Committee within thirty (30) days after any vacancy appears thereon, then the remaining members of the Committee shall be entitled to appoint a successor to fill any vacancies. Members of the Committee may at any time and without cause, be removed by Declarant, or in accordance with the parameters above, by the Board. Neither the Declarant, the Association, the Board, the Committee nor any

employees, officers, directors or members thereof shall be liable for damages or otherwise to anyone submitting plans and specifications for approval or to any Owner affected by this Declaration by reason of mistake of judgment negligence or nonfeasance arising out or in connection with the approval or disapproval or failure to approve or disapprove any plans or specifications. Any errors in or omissions from the plans of the site plan submitted to the Committee shall be the responsibility of the Owner of the Lot to which the improvements relate, and the Committee shall have no obligation to check for errors in or omissions from any such plans, or to check for such plans compliance with the general provisions of this Declaration, town codes, state statutes or the common law, whether the same relates to lot lines, building lines, easements or any other issue. Notwithstanding anything to the contrary contained herein, once a particular set of plans and specifications submitted by a homebuilder (which for purposes hereof shall be defined as any entity or person in the business of constructing single family residences for the purpose of sale to third parties) has been approved by the Committee or deemed approved, such homebuilder may construct homes in the Subdivision on any lot in accordance with such plans and specifications without the necessity of obtaining subsequent approvals therefor, so long as there are no major material changes in the plans and specifications.

## ARTICLE VI

### CONSTRUCTION OF IMPROVEMENTS AND USE OF LOTS

6.1 RESIDENTIAL USE. The Property shall be used for single-family residential purposes only. No building shall be erected, altered, placed or permitted to remain on any Lot other than one (1) detached single family residence per Lot, which residence may not exceed two (2) stories in height and a private garage as provided below:

6.2 SINGLE-FAMILY USE. Each residence shall be limited to occupancy by only ONE family consisting of persons related by blood, adoption or marriage or no more than two (2) unrelated persons residing together as a single housekeeping unit, in addition to any household or personal servant staff.

6.3 GARAGE REQUIRED. Each residence shall have an enclosed garage suitable for parking a minimum of two (2) standard size automobiles, which garage shall conform in design and materials with the main structure. All garages must be front entry, rear entry, side entry or detached only.

6.4 RESTRICTIONS ON RESUBDIVISION. No Lot shall be subdivided into smaller Lots.

6.5 DRIVEWAYS. All driveways shall be surfaced with concrete or similar substance approved by the Committee.

6.6 USES SPECIFICALLY PROHIBITED.

(a) No temporary dwelling shop, trailer or mobile home of any kind or any improvement of a temporary character (except children's playhouses, dog houses, greenhouses, gazebos and buildings for storage of lawn maintenance equipment which may be placed on a Lot only in places which are not visible from any street on which the Lot fronts) shall be permitted on any Lot except that the builder or contractor may have temporary improvements (such as a sales office and/or construction trailer) on a specifically permitted Lot during construction of the residence on that Lot. Unless Declarant has given its written approval, and subject to the provisions of the Town of Flower Mound Land Development Code and Amendments thereto, no building material of any kind or character shall be placed or stored upon the Property until construction is ready to commence, and then such material shall be placed totally within the property

lines of the Lot upon which the improvements are to be erected.

(b) No boat, marine craft, hovercraft, aircraft, recreational vehicle, pick-up camper, travel trailer, motor home, camper body or similar vehicle or equipment may be parked for storage in the driveway or front yard of any dwelling or parked on any public street on the Property, nor shall any such vehicle or equipment be parked for storage in the side or rear yard of any residence unless properly concealed from public view. No such vehicle or equipment shall be used as a residence or office temporarily or permanently. This restriction shall not apply to any vehicle, machinery or equipment temporarily parked while in use for the construction, maintenance or repair of a residence in the Development.

(c) Trucks with tonnage in excess of one and one-half (1.5) tons and any commercial vehicle with painted advertisement shall not be permitted to park overnight on the Property except those used by a builder during the construction of improvements.

(d) No vehicle of any size which transports flammable or explosive cargo may be kept on the Property at any time.

(e) No motorized vehicle or similar equipment shall be parked or stored in an area visible from any street except passenger automobiles, passenger vans, motorcycles, pick-up trucks (including those with attached bed campers) that are in operating condition and have current license plates and inspection stickers and are in current use.

(f) No structure of a temporary character, such as a trailer, tent, shack, barn, underground tank, structure or other out building shall be used on the Property at any time as a dwelling house; provided, however, that any builder may maintain and occupy model houses, sales offices and construction trailers during the construction period, but not as a residence.

(g) No oil drilling, oil development operation, oil refining, quarrying or mining operations of any kind shall be permitted in or on the Property, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any part of the Property. No derrick or other structure designed for use in quarrying or boring for oil, natural gas or other minerals shall be erected, maintained or permitted on the Property.

(h) No animals, livestock or poultry of any kind shall be raised, bred or kept on the Property except that dogs, cats or other qualified animals may be kept as household pets. Animals are not to be raised, bred or kept for commercial purposes or for food. It is the purpose of these provisions to restrict the use of the Property so that no person shall quarter on the premises cows, horses, bees, hogs, sheep, goats, guinea, fowls, ducks, chickens, turkeys, skunks or any other animals that may interfere with the peace and quiet, health and safety of the community. No more than four (4) pets will be permitted on each Lot. Pets must be restrained or confined to the homeowner's rear yard within a secure fenced area or within the house. It is the pet owner's responsibility to keep the Lot clean and free of pet debris or odor noxious to adjoining Lots. All animals must be properly registered and tagged for identification in accordance with local ordinances.

(i) No Lot or other area of the Property shall be used as a dumping ground for rubbish or accumulation of unsightly materials of any kind, including without limitation, broken or rusty equipment, disassembled or inoperative cars and discarded appliances and furniture. Trash, garbage or other waste shall not be kept except in sanitary containers. All containers for the storage or other disposal of such material shall be kept in clean and sanitary condition. Materials incident to construction of improvements may

only be stored on Lots during construction of the improvement thereon. /1.

(j) No individual water supply system shall be permitted on any Lot.

(k) No individual sewage disposal system shall be permitted on any Lot.

(l) No garage, garage house or other out-building (except for sales offices and construction trailers during the construction period) shall be occupied by any Owner, tenant or other person prior to the erection of a residence.

(m) No air-conditioning apparatus shall be installed on the ground in front of a residence. No air-conditioning apparatus shall be attached to any front wall or window of a residence. No evaporative cooler shall be installed on the front wall or window of a residence.

(n) Except with the written permission of the Committee, no antennas, satellite dishes or other equipment for receiving or sending sound or video signals shall be permitted in or on the Property except antennas for AM or FM radio reception and UHF and VHF television reception. Such antennas shall be located inside the attic of the main residential structure. One (1) satellite dish not larger than 19 inches or similar antenna may be placed in the side or rear yard of a Lot or on the side or rear elevation of the home.

(o) No Lot or improvement thereon shall be used for a business or for professional, commercial or manufacturing purposes of any kind. No business activity shall be conducted on the Property which is not consistent with single family residential purposes. No noxious or offensive activity shall be undertaken on the Property, nor shall anything be done which is or may become an annoyance or nuisance to the neighborhood. Nothing in this subparagraph shall prohibit a builder's temporary use of a residence as a sales/construction office for so long as such builder is actively engaged

in construction on the Property. Nothing in this subparagraph shall prohibit an Owner's use of a residence for quiet, inoffensive activities such as tutoring or giving art lessons so long as such activities do not materially increase the number of cars parked on the street or interfere with adjoining homeowners' peaceful use and enjoyment of their residences and yards.

(p) No fence, wall, hedge, shrub planting or other obstructions to view in excess of two feet (2') in height, except trees pruned high enough to permit unobstructed vision to automobile drivers, shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street right-of-way lines, or in the case of a rounded property corner, from the intersection of the street right-of-way lines as extended. The same sight-line limitations shall apply on any Lot within any area that is ten (10) feet from the intersection of a street right-of-way line with the edge of a private driveway or alley pavement. No tree shall be permitted to remain within such distance of such intersections unless the foliage line is maintained at a minimum height of six (6) feet above the adjacent ground line.

(q) Except for children's playhouses, dog houses, greenhouses, gazebos and buildings for storage of lawn maintenance equipment, no building previously constructed elsewhere shall be moved onto any Lot, it being the intention that only new construction be placed and erected on the Property.

(r) Within those easements on each Lot as designated on the Subdivision Plat of the Development, no improvement, structure, planting or materials shall be placed or permitted to remain which might damage or interfere with the installation, operation and maintenance of public utilities, or which might alter the direction of flow within drainage

channels or which might obstruct or retard the flow of water through drainage channels.

(s) The general grading, slope and drainage plan of a Lot as established by the approved Development plans may not be altered without the approval of the Town and/or other appropriate agencies having authority to grant such approval.

(t) No sign of any kind or character shall be displayed to the public view on any Lot except for one (1) professionally fabricated sign of not more than six (6) square feet advertising the property for rent or sale, or signs used by a builder to advertise the property during the construction and sales period. Declarant or its agents shall have the right to remove any sign, billboard or other advertising structure that does not comply with the above, and in so doing shall not be subject to any liability for trespass or any other liability in connection with such removal.

(u) Outdoor clothes lines and drying racks visible to adjacent Properties are prohibited. Owners or residents of Lots where the rear yard is not screened by solid fencing or other such enclosures, shall construct a drying yard or other suitable enclosure or screening to shield from public view clothes drying racks, yard maintenance equipment and/or storage of materials.

(v) Except within fireplaces in the main residential dwelling and equipment for outdoor cooking, no burning of anything shall be permitted anywhere on the Property.

6.7 MINIMUM FLOOR AREA. The total air-conditioned living area of the main residential structure, as measured to the outside of exterior walls (but exclusive of open porches, garages, patios and detached accessory buildings), shall be not fewer than one thousand eight hundred (1,800) square feet or the minimum floor area as specified by the Town, whichever is greater.

6.8 **BUILDING MATERIALS.** The total exterior wall area (excluding windows, doors and gables) of each residence constructed on a Lot shall not be fewer than seventy-five percent (75%) (but not fewer than the minimum percentage as established by the Town by ordinance or building code requirement) brick, brick veneer, stone, stone veneer, stucco, or other masonry material approved by the Committee. Windows, doors, other openings, gables or other areas above the height of the top of standard height first floor windows are excluded from calculation of total exterior wall area. All roofing shall be 205 lb./square 3-TAB standard strip shingle or better in "Weathered Wood" or other Committee approved color. All main residences shall have a minimum 7/12 roof pitch on the major portions of the building.

6.9 **SIDE LINE AND FRONT LINE SETBACK REQUIREMENTS.** No dwelling shall be located on any Lot nearer to the front lot line or nearer to the side lot line than the minimum setback lines shown on the Subdivision Plat or as required by the Town.

6.10 **WAIVER OR FRONT SETBACK REQUIREMENTS.** With the prior written approval of the Committee, any building may be located farther back from the front property line of a lot than provided above, where, in the opinion of the Committee, the proposed location of the building will enhance the value and appearance of the Lot and will not negatively impact the appearance of adjoining Lots.

6.11 **FENCES AND WALLS.** All fences and walls shall be constructed of masonry, brick, wood or other material approved by the Committee and erected in accordance with the Land Development Code §5.06. No fence or wall on any Lot shall extend nearer to any street than the front of the residence thereon. Except as otherwise SPECIFICALLY approved by the Committee, all street side side yard fencing on corner Lots shall be set no closer to the abutting side street than the side yard setback line as shown on the subdivision Plat.

6.12 SIDEWALKS. All walkways along public rights-of-way shall conform to the minimum property standards of the Town.

6.13 MAILBOXES. Mailboxes shall be standardized and shall be constructed of a material and design approved by the Committee (unless gang boxes are required by the U.S. Postal Service).

6.14 CHIMNEY FLUES. Chimney stacks on front and side exterior walls that are visible from the street shall be enclosed one hundred percent (100%) in brick on all faces visible to adjacent streets and Lots.

6.15 WINDOWS. Windows, jambs and mullions shall be composed of anodized aluminum, vinyl or wood. All front elevation windows shall have baked-on painted aluminum divided light windows (no mill finish).

6.16 LANDSCAPING. As to any improvement by a person or entity other than Declarant, landscaping of each Lot shall be completed within sixty (60) days of conveyance, subject to extension for delays caused by inclement weather, after the Home construction is completed and shall include grassed front and side yards, a minimum of eight (8) two (2) gallon shrubs, and a minimum of three (3) two-inch (2") caliper trees, and shall, in any event, meet the minimum tree planting standards set forth in §5.03 of the Land Development Code.

6.17 GENERAL MAINTENANCE.

(a) Following conveyance of the Home upon any Lot, each Owner shall maintain and care for the Home, all improvements and all trees, foliage, plants, and lawns on the Lot and otherwise keep the Lot and all improvements thereon in good condition and repair and in conformity with the general character and quality of properties in the immediate area, such maintenance and repair to include but not be

limited to: (i) the replacement of worn and/or rotted components; (ii) the regular painting of all exterior surfaces, provided that if the colors change, the change shall be approved by the Architectural Review Committee; (iii) the maintenance, repair and replacement of roofs, rain gutters, down spouts, exterior walls, windows, doors, walks, drives, parking areas and other exterior portions of the improvements to maintain an attractive appearance; and (iv) regular mowing and edging of lawn and grass areas. Upon failure of any Owner to maintain a Lot owned by him in the manner prescribed herein, the Declarant or the Association, or either of them, at its option and discretion, but without any obligation to do so, but only after ten (10) days written notice to such Owner to comply herewith, may enter upon such Owner's Lot and undertake to maintain and care for such Lot to the condition required hereunder and the Owner thereof shall be obligated, when presented with an itemized statement, to reimburse said Declarant and/or Association for the cost of such work within ten (10) days after presentment of such statement. This provision, however, shall in no manner be construed to create a lien in favor of any party on any Lot for the cost or charge of such work or the reimbursement for such work.

(b) The Association shall operate, maintain, repair and replace all improvements including landscaping, irrigation systems and fencing in the Areas of Common Responsibility.

## ARTICLE VII

None of the Association's agreements, covenants, or restrictions pertaining to the use, operation, maintenance and/or supervision of any Areas of Common Responsibilities, facilities, structures, improvements, systems, areas or grounds that are the responsibility of the Association may be amended without the prior written consent of the Town. Owner's remedies at law for any breach of the Owners' obligations contained herein would be inadequate. Enforcement may be commenced by the Association, the Declarant, or any Owner against any person or persons violating or attempting to violate them; and failure by the Association, the Declarant or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.
